Reflection CFTE &ADGMA Scholarship Program 2022

The CFTE & ADGMA Scholarship Programme developed me professionally and personally. I have learnt a lot during the programme, from financial analysis and modelling to pitching and networking. Furthermore, it enhanced my communication, organisation and time management skills, as well sharpen my business acumen and rational thinking to overcome business challenges that will be reflected within my decision process, and professional methodology powered by indepth knowledge of the financial global industry and its correlation with several different markets & industries, along with the influence of the financial news on decision making. From technical point of view, being exposed on financial modelling provided me a new insight of financials models, techniques and reporting disclosure which enabled my data analysis. Finally, such programme ameliorated the business pitch techniques and negotiation skills, by delivering the right idea to the audience with a complete end to end demonstration covering all aspects with a firm and disciplined rational way. The leading your self and others in Fintech course was able to to develop my ability to Understand my audience/stakeholders and how to effectively influence them, through a set of latest knowledge this course was comprehensive learning conducted by Caroline Stockmann Chief Executive Office, Association of Corporate.

In conclusion, the CFTE & ADGMA Scholarship Programme has been a valuable , comprehensive experience that has helped me enrich both professionally and personally. I am grateful for the opportunity to have participated in the programme and I would strongly recommend it to others.
